### Company Description:

Child Care of the Berkshires is a large not-for profit, early care and family support agency, operating a variety of programs throughout Berkshire County, including child care centers, a network of family child care homes, home visiting programs, parent child playgroups, parent education and skill building programs.

Its mission is to promote and strengthen families through the provision of high quality child care services to families whose parents are working or in training or, for any number of reasons, cannot adequately care for the children as well as other types of social and educational services which directly affect families and their well being.

Child Care of the Berkshires employs approximately 75 staff persons and its operating budget is approximately \$5 million dollars. Child Care of the Berkshires is an Equal Opportunity, Affirmative Action Employer, with a longstanding commitment to increasing the diversity of the employee community.
